SEARCH NOTES		
Search Notes	Date	Examiner
Mehrdad Dastouri: classification in 348 relating to surveillance.	2/4/2009	GT
See attached East search report.	2/26/2009	GT
See attached for Interference and Inventor search.	8/14/2009	GT
Thai Tran: discussed the art and decided recording art in 386 would not have such art because once a program is watched, it would be set for deletion, not the other way around. Similarly, state of surveillance would only teach deleting unrelated or uneventful events.	8/14/2009	GT
